
First Grade Homework & News

December 12 - December 16

Memory is the same as last week!

**Know your speaking part for the
Christmas Musical on Tuesday evening!**

Read Aloud this week!

No Sight Words!

Please talk with your first grader about keeping focused this last week before break! We're all excited about Christmas: however we are still learning!! Make sure kids are going to bed early to stay healthy and alert. Too many outside activities are stressful and their behavior reflects this. Their whining, complaining, arguing, etc. is a helpful gauge of their level of stress (and ours too)!

I read a great devotion about keeping the "presence of Jesus" in your mind as you celebrate this season of Advent instead of so much worrying about the "presents" you're giving and getting!

May Jesus be with you and thanks for all your help!
