January 9 - January 13

Luke 2:40

..The Child grew and became strong; He was filled with wisdom and the grace of God was on him.

Practice
subtraction facts -0 thru -6

Math Facts 5 minutes each day! Memorize!

This week we read the story “Bud’s Day Out” and will make connections with the animal in the story. As a project we will be working on Comic Life to create our own “Ten Rules for Pets.”

Please send teacher via email pictures of your pets doing naughty things (not following rules) so that the the children can use the pictures for their comic life creations. Please do not bring in pictures since it takes too long to scan. If you do not have a pet, you may use pictures of Lady , Precious, and Coco. We will be collecting all pictures and putting them in a folder for kids to access.
